“ Dawn and Melony,
What a wonderful Blessing in my life knowing and working with your Mom. She was a woman who walked and lived by Faith. She loved you two. I have so many wonderful memories of her.
This is only a temporary separation, one day y'all will be united with her and your Dad. Until then, try to remember how happy she is walking the Streets of Gold. My prayers and thoughts are with you all!

“ I had the pleasure of working with Carolyn at B & W Credit Union, there was never a dull moment when she was there. She was always full of joy everyday. She taught me a lot and always encouraged me to not worry about making mistakes because she would say there are no mistakes that couldn't be fixed. I truly missed Carolyn when she retired. she was such an inspiration, she loved the Lord and her family.

“ The Apostle Paul wrote “And we believers also groan, even though we have the Holy Spirit within us as a foretaste of future glory, for we long for our bodies to be released from sin and suffering. We, too, wait with eager hope for the day when God will give us our full rights as His adopted children, including the new bodies He has promised us.”
Please know our prayers are with you.
