“ I remember a time when Junior, Geneva and Lisa would come in from Mississippi to North Carolina to visit family members. We all gathered in Murfreesboro for a family reunion. And during their stay, they would make their way up to my mom's house Catherine Greene in Va.Beach. to spend a couple of days with us, before they would make their trip back home. A few years ago my mom was visiting us here in Chattanooga. We decided to make a trip to Columbia to visit Geneva. During our stay with her. I remember Geneva made a coconut cake. That was the best coconut cake I ever had. A lot of good memories. Geneva will be missed. Love and prayers for the family. Joel and Frances Wilcox.

“ Lisa and I were best friends for a time in high school. I loved spending the night and waking up to cheese biscuits made in a can!! I don't ever recall a time she got mad at us. Her smile was priceless ♥♥♥ Prayers for the family.

“ Geneva, Junior and Lisa were some of our neighbors in Westwood II when Edwin and I married in 1970. They were the sweetest and most kind neighbors. I will forever remember their smiles and kindness. Their smile was very contagious. Rest in peace Geneva.

“ I am so thankful for Aunt Geneva. What a blessing and joy they brought to our lives during my teen and young adult years. I remember the times Mom and Dad (Thurman and Suella Green) will take us to their home in N. C. and the wonderful meal she would prepare for all of us. The time together was precious. When they moved to Mississippi our visits only took place when I pastored in Crystal Springs. We enjoyed our times with them at Thanksgiving and other family times. When Uncle Junior went Home to be with the Lord, Marcia and I were able to attend. I was asked to help preach his service. We have only seen each other briefly since then. I would take the time to call during the Holidays and talk with her while she was preparing for her family meal. I asked her was she baking biscuits and reply, yes I am. I said I wished I could be there to enjoy those delicious biscuits. She wished we could too. I tried to call Christmas 2015 but no answer. I though she was with her family not realizing how sick she was and now with the Lord too.

Our little family value the times we had together. When Mom and Dad passed away Uncle Junior and Aunt Geneva was there for our family. They were so encouraging and helpful. We will miss them now but look forward to being together again forever in the place God has prepared in Heaven for His children. To her dear family may God comfort and give His peace. Thank God you had her until she was 85. 2

Thessalonians 2:16,17 "Now our Lord Jesus Christ Himself, and God, even our Father, which hath loved us, and hath given us everlasting consolation and good hope through grace, Comfort your hearts, and stablish you in every good word and work."
