“ Our sincere condolences. God bless you all. I remember being out at Pheba when Jimmy was very young. Our family and his family would visit and our parents played cards together. The kids played and probably drove our parents crazy. Fun times.

“ We are saddened to learn of Jimmy passing away. We have fond memories of his years with us in the West Point Band - his dedication and word ethic. We are pleased that we had the opportunity to visit with Jimmy last year while we were in WP.

Blessings and comfort to his parents and entire family.
