“ I never had the chance to meet Anthony in person but we had become very close.I was planning on going to see him this summer.I loved him very much and miss our talks for hours everyday!He sure could talk and make me laugh.We were just starting to plan a future together,I miss him everyday with my whole heart and always will be his girl.He was a very special man.I hope one day to be able to meet you all and Dalton and Dylan.You boys were his life and there are no words to describe his love for you.He sent me a video of a song called "Keeper Of The Stars".We made it our song and I will never stop listening to that.Such a beautiful song that we shared.My heart is truly broken over this tragedy as I know yours is as well.My thoughts and prayers are with your family always.If there is anything I can do please let me know.Sincerely and with love,Michelle Harris
