“ Many people have a “bucket list”. I have a very small bucket because God has already blessed me more than I could ever imagine, but in my small bucket was a desire of a little boy that his Dad would take him fishing. I remember the day Uncle Bert called me and asked if I wanted to go fishing I suddenly felt like that little kid again. Even though biologically he wasn't my Dad, that day he was. Even though I was 56 years old I treasured that day and every other time we went fishing. Thanks Uncle Bert I'll cherish those memories forever.

“ *My heart is heavy to hear this sad news of the passing of Mr. Bert Allen. Our former neighbour, he was always busy outside working in his yard or doing some other outdoor task. He carried himself with great dignity and reservation and will be greatly missed. Love and prayers to his family.*
