“ *Betty was one of the most beautiful people that I had the pleasure to work with at Walmart in Columbus. When she transferred, she would drop in just to say hello and check in with me. My prayers go out to the family. Until we meet again Ms. Betty.*

“ *Dear Robert, Amy and Nikki and all family, I am so sorry that you have to say goodbye for now to Betty. She and I had many conversations about our love for Jesus, so I am confident as to where she is now. May God gird you with strength to face the difficult days ahead, may He give you comfort and peace that surpasses all understanding. Although your hearts break with sadness, I only wish we could see what she sees now ! Betty is kicking up gold dust in the streets of heaven at this very moment, and you will be reunited with her one day. Until then... fight the good fight in faith and take comfort that you have not lost her, you are only separated for a little while ! Love , Beth Calder (Vest)*
