“ We share a grandson Robert with Bobby, we have many memories while living in W.P. We have a special memory, three years ago while visiting we received a call from TX. of our son Mark,s sudden death. A couple hours later Bobby came to the hotel we will always treasure his warm caring hug and words of comfort. The special people in our lives are never really gone... They have a cherished place in our hearts where they will always be remembered for the love they shared and the happiness they brought.
Thinking of you with sympathy and praying you will find comfort in your memories.

So many happy and funny memories I have with Bobby. He was so quick witted and would say some of the funniest things. More importantly Bobby Walker had a heart of gold. He loved his family. He was so proud of Robert. He loved Bob and Perry and Robert so much. Robert has many precious memories. We all do. I am honored to have been in his life. Fly high funny man - we love you and will never forget you - Shana Walker
