“ The Apostle Paul wrote “And we believers also groan, even though we have the Holy Spirit within us as a foretaste of future glory, for we long for our bodies to be released from sin and suffering. We, too, wait with eager hope for the day when God will give us our full rights as His adopted children, including the new bodies He has promised us.”

Please know our prayers are with you.

“ Bobby could make you laugh even if you didn't want to. He had a dry humor it was if no one knew what he was thinking. Dot he loved you and his children and grand children.

I have a sweet memory, I was at the red light at 45 and Broad st I realized it was him in front of me, at first I thought he was by himself then I saw a little boy's head as they sat there I watched Bobby lean over and slightly bumped heads with one of Lisa's sons, that will always stick out in my mind, it's not the big things they will remember but those times. He enjoyed growing his garden and flowers.

Every time I eat Soup I think of the long running joke he and Sammie had when we went shopping, Sammie would say Boby how thin is your soup getting mine is so thin. we can remember all of the good times he left us with.
