“ Byron to me was such an inspiration. I watched and followed him as he went through his ordeal with his chemo. He was always praising God. He and Tammy would post pics of him walking around in the hospital praying with others and uplifting others as he was pushing his rack and treatment around as he was being treated. Never one complaint. I'm going to miss seeing his post every morning when I get up to go to work. Everyday he "Praise God". No matter if it was a beautiful day or not. He would praise God in the storm just the same. The world needs more people like Byron Davis. I know you are now singing praises to the one you have preached so much about. Thank you for being such an inspiration. Going to be greatly missed.

It was a blessing to know Byron from the day he was born. Even though the years and distance have kept us apart, that sweet little boy will always live in my heart and the caring loving man who was there for us when my Mother passed in 2013 shall never be forgotten. May you Rest In Peace my dearest angel Byron! Forever in my heart! 🙏❤️

So sorry for the loss of this great guy. He is now with Jesus and enjoying all the things of Heaven that he has preached about . Reunited with his dad and praising Jesus. Our comfort is that one day we will see him again. I'm so sorry I cannot come to the funeral. I am in Ohio right now . Your family are in my thoughts and prayers . Praying God gives you the strength and Grace you need at this time. I lovey y'all much !
