“ I loved Mr Gene like a blood relative. We had such good times together. I've never had anyone make me laugh like him. But even though he was very funny he was very deep and retrospective. He was a great man with a life story I admired. C.Fox

“ Christeen,
I am very sorry to hear about your dad passing away. I have looked for him a few times over the years. I wish I had been able to find him before now. I would like to talk with you about him if you are ok with that.

“ We worked together at Mitchell Engineering in the 70s. We welded up a lot of scaffolding for Bobby Wilcox who used to work for Mitchell but was in charge of a plant in Arkansas. I just saw him again about a year ago and we got caught up on Ole times. It was great to see him again after over 40 years. We had a time talking about work and other things. He was a good and funny man. Rest In Peace Gene. Earl Jaynes Liberty Alabama
