“ *Christi was a little sister to me. I was at her house all the time hanging out with her brothers and she always was tagging along. Christi, her brothers, my sister and me all spent some great crazy times together. We went to the movies, went to parties, hung out, and grew up together. Her laugh and her knack for mischief was so much fun to be around. I know I'll miss her as I would one of my own sisters. Rest in peace Lil' Sis, I Love You and I'll Miss You terribly...*

“ *Christi was sister, Petey the cat was the ruler of her home. This cat did as he pleased, if you got on to him, he would run to Christi. She was awesome. Christi's smile always brighten a room when she walked in, like a breath of fresh air! She was loved and will truly be missed. The only woman in the world that could tame my big brother. We love you Christi.*
