“ *Rip my friend. You were one of a kind. We will miss your visits every week and your phone calls. Our family will miss the holidays with you. Plant your gardens in Heaven so they can be enjoyed by all. I am so thankful that you are no longer in pain. We loved you Phillip and Glenda.*

My friend, you were one of a kind. You always knew how to make us laugh. I will miss our talks and you saying that I never cooked. Go get that big deer and rejoice in no pain.
