“ *Cindy and I were in high school together and many years had passed before we met again. She recognized me right away and when I saw her smile I remembered her too. She brought her grandson, Braxton, to the Bryan Public Library every week and it was easy to see what a sweet bond they shared. I will miss her and that beautiful smile that let you know that she was your forever friend.*

*We, the library staff, send our sincerest condolences to her family and especially to our sweet Braxton. My God hold you close.*
