“ *I was privileged to meet and spend some time with Bullet while he was a driver for Miller Transporters. We shared some tall tales. His were always taller and much more entertaining. Bullet was a great guy. I haven't seen or talked to Bullet in a while. Just the mention of his name brought back many great memories.*

My condolences go to all his family and friends. My thoughts and prayers are with you but more importantly God is with you in this time of loss.
