“*Floyd and I worked together for 19 years I spent at the cement plant and hunted and fished together. He also helped my son and I when we had the computer store in West Point. He was like a brother to me and I will miss him badly we spoke just on the phone last month and I could tell then he was getting bad. I moved out of state and was unable to see him during the end. I miss my buddy already. Prayers to the family from the Reed family.*
