“ *We were so sorry to hear about Fred's passing. We are so glad that he was able to come to the Hageman reunion last April. We had such a good visit during that time. We are going to be unable to come to the funeral, but we will keep all the family in our thoughts and prayers.*

We are sorry to hear of Fred's passing. We realized that his health was failing him when we visited with him at the reunion in April. It was great that he and other members of his family were able to come to the reunion.

We will keep your family in our thoughts and prayers.
