“ Gary was loved so much and he will be missed...He loved Aunt Mabbline and was so good to her and even though they were never married, he was a great "uncle" to me and my husband.

“ I did not have the privilege of meeting Gary in person ,but through my sister Mabbline, I feel that I knew him. I know it will be so hard to live without Gary for his loving companion, but you have the wonderful knowledge of being with Gary in heaven. I know how much you loved him and how much he loved you. God rest his soul and be with you all during this time of loss. Love and prayers

“ Gary was a good man. A very smart man. A genius with computers. He was mostly quite and could be so funny when he did impressions of an actor in a movie. He loved his life and fought hard to keep it. Had to leave this world way to soon. My love and sympathy to my Sissy, (Mabblin) and his entire family. He will surely be missed.

“ I will miss my dear friend. He was a wonderful man and really loved life. Gary loved teasing me on my speech. My words don't always come out right and he would tell me that he was going to write a redneck dictionary with my words and would make millions. R I P my friend.
