“ I went to school with George in West Point and at Ole Miss. Unfortunately, I've been unable to see him since those days, but I have very fond memories of our school days. I remember his dear father and mother as well. He was a kind person, and I am glad to have called him my friend. I was lucky enough to have visited him in March just before the coronavirus closed things up, and I'm glad I got to see him one last time. With sincere condolences to his entire family, John Bolich

“ George was one of the first people I met when I went to Ole Miss as a freshman in June, 1963. I never heard him say an unkind word to anyone or about anyone. He will be missed by his many friends. My sympathy to his family.

“ Our condolences to cousin George's family. I remember George coming to Washington on his travels always with a smile on his face and kindness in his heart. Because of the distance we did not get to spend as much time as we would like but I remember the last family reunion at the lake. George stood out to my kids as such a kind man. You are all in our thoughts and prayers
