*Gladys was my second Mama. I grew up with Gladys in my life in every way. Growing up, Benny was my best friend so I saw her all the time, they were our closest neighbors, we had the only store for miles so she shipped with us and we went to church together. She was a permanent fixture in my life. She was the most precious lady you could ever know. She loved her family, friends and her Lord and Savior with a passion. I love you Gladys and you will be so missed.*

*Ms Gladys was a sweet caring woman. She loved her Lord. Ms Gladys worked with my father William Blasingame, at Walmart. They really had a true friendship. Ms Gladys helped him cope with my mom's sickness and then her death. I loved Ms Gladys Dearly she was a great friend. Although I didn't come around she was a special person to me. God be with you all during this time of sorrow. Only he can give you peace and comfort.*
