“ At the rising of the sun and its going down, I will remember you
At the blowing of the wind & the chill of winter I will remember you
At the opening of buds and in the rebirth of spring, I will remember you
At the rustling of leaves and the beauty of autumn, I will remember you
At the beginning of the year and when it ends, I will remember you
As long as I live, you too shall live
For you are now a part of me, as I remember you
----- thoughts and prayers to Nancy and the Keller family -----
