“ *It was my joy and honor to be a Brother In Christ with, a friend to, and a neighbor of Henry Myers. Over the years, Henry and I came to realize either of us could call the other at any time of the day or night when it was needed. I will miss his counsel as well as his presence. My comfort is the sure knowledge he is now with Jesus and will be forever.*

Henry and I worked on many projects together over the years, but none was more challenging and satisfying than our work on the Riverside Chapel building. This picture appeared one day on my camera. Henry and I agreed it was probably the Holy Spirit making a surprise inspection of our work. We certainly knew who served as Job Foreman on that hill.

See you later, my friend.

Vickie, we will miss our "Boudreaux" dearly. Henry has shown me what it truly means to lead as the Priest of His Household. From his sense of humor to his love of God and family, he will be etched in our hearts. We love you, Sis!
