“ *Tommy was a man of few words but deep thoughts. When Carolyn was alive, the two of them were wonderful about checking on her and making sure she had everything she needed. As holders of mom's medical proxy they made sure he passing was handled as she desired.*

I will always remember his hunting and fishing that resulted in gatherings at the camp house for fish fries and venison. He always had plenty to share with mom to take home and cook later.

My condolences to Jess, Steven and the other close family and friends. He will be missed by so many.

I live in Florida by I will be at the memorial in spirit and though and prayer.
