“ *Jay was a very nice person. He could always get a laugh when we were in school. I was home about three years ago and I visited Jay at his home. With deepest sympathy and a prayer that the Lord will fill his family's days with His peace and bring comfort to their hearts.*

Jesus is the hope in the dawn of each day, the feeling of joy that keeps sadness away, the undying love that brings light to the soul, the caring and comfort that heal and make whole. I am praying that the Lord gives you peace and heal your heart. Vicky Odneal Halbert, Class of 1978
