“ You were like a father to me. Having to tell you goodbye in this manner, knowing what you truly wanted, is unnerving. I'm incredibly grateful to have known you. Thank you for all the stories, advice, thoughtful gifts and support over the years. As promised, you'll be more than an acknowledgement in my next book. For now, I'll take solace in knowing you're with Doogie again. Per your request, I'll be sending my donation to UAB Medicine. Love and miss you always, John Howard. <3

“ John Howard was one of a kind. I can remember him from when he was a small child and when he lived in Claiborne County and had his pickup truck painted (by hand) in John Deere green.
