“ To the family of my dear dear friend Butch. I have wondered so many years just where Butch was at. We were in cub scouts together. He will always hold a special place in my life. He was such a sweet person.

“ From the first moment I seen Butch, I knew he would always be my favorite person to take care of. His smile lit up the room. He was my friend. What a blessing he has been to me. I never knew I could love someone so much. I thank the Lord for giving me the opportunity to take care of and know Butch White!!! Hes told me several times over the past few years that His birthday was on May 17 and he always informed me he wanted chocolate cake and a coke!!! So we made that happen!!!! I will miss him more than I can say!

“ So sorry to hear about Butch! He was one of my Mother’s first students and one of her favorites. He was in my Vacation Bible School class at Siloam Baptist, and I can remember him taking up the offering on Sunday morning. He was always a happy, upbeat person to be around.
