“ *I am so very sorry to hear of Joe's passing. I was out of town and could not come to the visitation or funeral. I worked with Joe for many years and he was one of my best school friends. He was personable and caring.....with staff and students. In later years, I loved to chat with him in Walmart. He always asked about my kids and I loved hearing about his family. He was very proud of his family! I felt like I knew some of you! Your sweet Joe will be missed.*
