“ So many of us in the OHA Class of '82 are just in shock over the sudden loss of Kevin. He will be remembered fondly by many. I recall his smile more than anything. He was a joker back in high school, loving to pull your string and then have a laugh with you, not at you. I pray that our Father's grace and love will surround all who loved him, friends and family. I sure wish that I could be there to honor him, Mrs. Ann. Please know that you are all loved at this difficult time.

“ Anna Laura, Gerald, Tyler, Chasady and Kevin’s extended family~  
We are so very sad for your loss. We have so many fond memories watching Kevin grow up across the street in Highland Park. He was such a cutie pie and could pull some stunts on Mae Etta. Angela and Kevin grew up together even though they were going to different schools, they always remained close. Y’all were like family to us and I know Mother & Daddy loved you like you were. Losing Kevin just doesn’t seem real. We are just heartbroken! You are all in our prayers at this difficult time. Stay Strong and remember God loves you even in the worst of times.  
With our love and sympathy~

“ *Anne you know my heart is broken for you. I truly loved Kevin, he was my buddy and the best guy friend I have ever known. With a heart of gold, the sweetness of an innocent child and the loyalty beyond measurement, we had a very special bond, never to be broken. He will live on in my heart forever.*

“ Several members of the class of '82 have been exchanging texts and e-mails for the past two days. We were all saddened to hear this news. I felt a pretty good tug at my heart when I saw that the entire class of '82 was named honorary pallbearers. Kevin was a great classmate, a great teammate and a great friend. I wish I could be there to help mourn his loss and to help celebrate his life. I'm sure I speak for the entire class in saying that we are all paying for Kevin's family and wish you all God's peace.
