

Mrs. Kitty Baker Grubbs

August 20, 1942 - November 10, 2024

Una, MS - Kitty Baker Grubbs, 82, passed away on November 10, 2024, at her residence in the Una Community of Clay County. Mrs. Kitty Baker Grubbs was born August 20, 1942, in Clay County. She was the daughter of the late Emerson Avery and Ruby Dell Barnes Baker. Mrs. Kitty was a graduate of Mississippi State University, where she obtained a Bachelor of Arts Degree. She worked for several years as a social worker for Clay County, but she retired as the Director of Child Protective Services for the Department of Human Services. After retiring from the Department of Human Services, Mrs. Kitty went to work as the Court Appointed Special Advocate for Clay County, where she became the Director. She married Mr. Gene Alton Grubbs on December 19, 1965, in her beloved Una, and he passed away on November 8, 2014. In addition to her parents and husband, Mrs. Kitty was preceded in death by her half-sister, Bernice Thompson, and three half-brothers, John A., James, and Thomas Baker. Our hearts are mingled with both joy and pain. The last four years of her life were filled with one illness after another, lymphoma, chemo treatments, disease resulting from chemo, and pneumonia. Through all of it, her response was always "this is temporary". Her attitude changed ours for the better. She loved her family, traveling, gardening, fishing, and she lived an incredibly full life, making time to make sure her children and grandchildren had the opportunity to travel the country with her. At home, her flowers were her life. Mrs. Kitty was an avid and accomplished flower gardener that took special pride in giving her plants the best care she could

give them. She took so much pride in her plants, that she earned a master gardener certificate from Mississippi State University so that she could properly care for and nourish her plants to the best of her ability. Additionally, she had a greenhouse built to care for the plants during the winter months. She was a member of Pleasant Grove Church, where she participated and was active in every church activity that was held. From song leader and Sunday School Teacher at church, to even hosting bible study in her home, nothing meant more to her than her faith in Jesus Christ, and she never wasted an opportunity to tell others about Him. She was truly an amazing lady, and a fierce warrior for the Lord! She will surely be missed by so very many people. She ran the race set before her with determination, she fought the good fight, and there is zero doubt that at 11:15am on November 10, 2024, she heard the only words that truly matter in life: "Well done, My good and faithful servant". We take joy in knowing she no longer struggles with sickness, but ache from the hole left in our hearts. To all of the family, friends, and healthcare professionals at North Mississippi Health Services, both in Tupelo and West Point who cared for her, we say thank you from the bottom of our hearts. You were the hands and feet of Jesus in her hardest times. Mama, Granny, Ms Kitty, Aunt Kitty; sing loud sweet lady! You're home now!

“ *I remember when Mrs. Kitty invited me over for bible study at her house. That meant a lot to Mr. I remember when she shared her blueberries and her garden wisdom. I also fished with her and my late grandmother Ellen Randle did as well. They were the best of friends. She gave me some crape myrtle trees that I have lined my driveway with. She also taught me about flowers and plants. She'll always be remembered and in my heart. Neighborhood friend, Pamela Pulley*

“ *We learned to know dear Kitty years ago when we, a young married Mennonite couple, moved into the area for two special years. We were an intricate part of small group at Pleasant Grove & thus created a lifelong relationship with dear Kitty & Gene. Will miss visiting her & wish we could be with you all now but you will be in our thoughts & prayers. Sending our love your way. Lamar & Reva Schrock.*

“ My condolences to the family of my former supervisor who taught me the ropes of being a Social Worker with compassion, serving along side her doing outreach in the community, laughing with she and her husband, volunteering at the food pantry, being in court advocating for families and remaining friends long after she retired. Always talking about her grandchildren and having me to come over to get flowers from her yard. She will be missed!

“ I remember the time my daughter Patience asked Kitty and Gene to fly with me to Hawaii for a vacation visit. They were so kind to do it we had a wonderful time and I was so glad they were with me it was my first time to fly and I was very nervous but Kitty made me feel calm when the plane took off. She was a sweet woman. She was my first cousin we had a lot of laughs together. She will be missed. I have a lot of memories of our time together. I pray her family feels the presence of the Lord during this time of grieving. I pray God gives you peace as only HE can!
