“ I knew Ms Marilyn from her volunteering at the hospital in West Point. She is the perfect example of someone who gives of herself for others. She has always cared for others outside of her volunteer hours at the hospital. She had such a positive and caring spirit that was contagious. She will be missed by her NMMC-WP family and many others!

“ We met Marilyn perhaps twenty years ago at her workplace in Starkville. She was just the happiest, most magnetic person, and we "stuck" with her for our cell phone needs throughout all those years until her retirement. Five years ago we moved back to West Point and enjoyed seeing and chatting with Marilyn wherever and whenever we saw her. She never wavered in her faith and love of life. My husband and I are saddened to learn that she has passed from this earth. She will be missed by many, like us, who had the pleasure of knowing her. Our deepest condolences, Johanna Rice & Mike Goree

“ I will remember her contagious smile, her infectious laughter, her no surrender attitude, her giving and kind heart and how awesome she was at putting others first. She cherished her family and her GOD. I have no doubt that she will continue to take care of her loved ones from heaven. She was an Angel here on earth and now in heaven as well. Love you always

Marilyn was a wonderful, loving, caring, Christian cousin we loved all our lives. She had a great laugh...she was always smiling....and we loved her dearly. We had many good times when visiting. Our parents were very close too-for as long as i can remember they enjoyed each others company and us cousins always had fun together too....Our love and sympathy to you all...Marilyn will be alive in our memories as she will be in yours and those friends and family who loved and treasured her.
