“ I was so fortunate to grow up down the street from Marsha and will always remember her as my best childhood friend. I share in your grief and wish I was not so far away. I have a treasure chest of happy memories from our childhood. Marsha could always make me laugh and you always made me feel like I was a part of your family. Marsha accomplished so much with her life and was such an inspiration to me by the way she lived for the Lord. She was a true leader on this earth and I know that she is reaping her many rewards in heaven.

“ I remember as a young child how Marsha would always hold me in her arms like I was her own. She was only 5 years older than I, but the love she had shown me will forever remain in my heart. Rest in peace Marsha Dale. We love you!

“ *My heart breaks for the loss of the precious woman you all love and for my sweet friend. I've already shared with Rachel about how Marsha and I shared many of our life experiences at the same time, how we'd known each other from childhood, graduated high school together, married within weeks of each other, we even participated in each other's wedding reception, had babies together and raised them at West End together. I loved Marsha and will miss her deeply!*
