“ Shawn... I am overcome with emotions as I'm just finding out you're gone. I don't know what to do. Every conversation is flooding my mind, every text, call, photo.. I'm upset at myself for not knowing sooner. I love you so much. And I'm going to miss you forever.

“ I will always remember Shawn and Nicole not just as friends but family. I will never forget our FNRs and time we spent as roommates. Shawn was a big teddy with bullet proof vest hard outer shell but when it came to his family and friends he always had time and kind words to share I will miss you forever brother

“ I enjoyed going down to Mississippi to visit my niece Nicole, husband Shawn and little Brooklyn, as well as sharing some video time as they put together the garden, Christmas decorations, or played with the dogs. Nicole was thrilled with the big garden Shawn put in, and enjoyed showing me their impressive harvest. I remember how Brooklyn was so proud of her cowgirl outfit Daddy got her! And I was so thankful Shawn was there by her side to help Nicole when she got so sick. I miss hearing all their funny sweet family stories. But I also know Shawn had endured horrible injuries from that terrible war, and then had to endure the heartbreaking loss of his little boy Aiden. His heart was tired. I'm happy to know his last years were filled with love from his girls, Nicole and Brooklyn. My heart goes out to his parents, family and brothers in the military as well, as I know they held a special place for him. Rest in peace Shawn, and please send love to your girls so they can find happiness again. My love, Aunt Elaine
