“ *Mike and I grew up together in church and went on more than a few youth trips together. Because of time, distance, and ... well ... just life, we lost touch. I will never forget his bubbly and outgoing personality. My heart and prayers go out to his family during this time of grief.*

“ We loved Mike so much. He was such a blessing to us. He came when several of his family passed in South Carolina. He made us welcomed in his home when Uncle Vernon, his dad passed. We talked a lot on phone and wanted to see each other but he left us. God bless his wife Evelyn, and my only Aunt left his mother Aunt Betty. We are praying for the family and love each of you.
