“ Thanks to every one who has posted. You will never know how very much this means to me. Bud was a wonderful man, husband, father and friend. I miss and love him so very much. Never miss the opportunity to say I LOVE YOU to your family and friends. Life is so short. Bud and I thought we had lot of chances left bud God needed him more than me. Everyone has been so wonderful and kind. Thanks again. I do know each of you will help me to get through this. He is looking down and smiling for he knows you are taking care of me. Thanks also to Bud's wonderful family for watching after me. I just can not say enough how much I love you all. May God Bless each and every one that has touched our lives.
Love you, Margie

“ This all does come as a shock to myself and family included. Now that I reflect back on this trip we just took to the reunion and if any positive can be conveyed from it all is that I got to enjoy being in his presence one last time. In that light I consider myself lucky. This family lost a great man and I will never forget him.

“ *Margie... I just cannot tell you how much I am going to miss Bud! He has meant so very much to me, and especially the last few years! So many memories from church. Words can never express how we really feel. I just can only say, I'm gonna miss that "fun-loving", God-fearing, encouraging man. I am so thankful to have been a part of his life on this earth! I am always here for you too, if you need to talk, or need anything! Our church is here for you, too! We are all brothers and sisters in Christ Jesus! I love you, Margie..*
