“ Keith was my first cousin? I was so sorry to hear of his passing? As adults, we seldom saw each other. However, I have fond memories of our childhoods in Jasper county.

“ Dear Debbie, Jamie and Dennis I am saddened by the news of your husband and fathers passing. He was a very good friend who meant a lot to me. We were thrown into a very tough situation as young men but I think we made the best of it and came out okay. He was always full of life and had a positive attitude and was fun to be around. He had a talent for building stuff and I think some of our projects are probably still standing on LZ Sally. I was proud to call him friend and will miss his phone calls. sincerely Glen Barbret
