“ *I worked with Larry for years and he was such a good friend, always happy and easy going. I've often thought of him and his family over the years, knowing he's been in bad health and all the heartache you've all been through. To you, Donna, and all of his family, I'm so sorry for your great loss. I loved Larry and you, too, Donna. He will be missed by everyone. Love, Vickie*
