“ *Donna and Family~  
We are so saddened to hear about Marcus. We had no idea that he had been hospitalized in Memphis or we would have driven over to see you both. You two will forever hold a very special place in our hearts. The letter of recommendation you wrote for us when we were in the process of adopting Kate meant so very much and still does over 30 years later.  
You are in our thoughts and prayers at this time of such great loss. We have wonderful memories of starting the T-Ball League in West Point with Marcus being one of the coaches. We had great fun that year.  
We both send you our love and heartfelt sympathy and pray that God gives you His comfort in the days ahead. Marcus was a fine man and we know that you, the kids and the grandkids will miss him greatly.  
God bless you all~

“ Donna,  
You may not personally know us, but we loved your husband. My husband Joe met him years ago while he was at the killing plant there in Mississippi. Joe would always come home talking about him with such high regards that I too felt like I knew him well. I was fortunate enough to finally get to meet him and he was all that Joe had said..a fine family man, and a true christian man. Words can never express just how we thought of him and how we mourn along with you and your loss of a wonderful man. God Bless you all...Joe and Denise McWhorter, Clinton, Kentucky

“ Dear Donna, Ben and Family, Bethany, Kristen and Family. Our hearts are so heavy for your loss of Marcus. We had hoped and prayed that he would make it. I first met Marcus at Jones Junior College the fall of 1970. He became a instant friend. He was a groomsman in our wedding July 1971. He was always laughing and full of fun. And I was so blessed to become apart of this large Sims family. Donna you and the Children were the light of his life. He cherished you always. Please know that you and the Children will continue to be in my prayers in the days and weeks to come. Randal and I love you all and we are here if ever you need us.
