“ *Lucille, I was saddened to hear about Norman's passing. The article in today's paper beautifully summed up God's mission for him in life. I don't think that it was possible for him to meet a stranger. He will be sorely missed. And, I don't think that I'll ever be able to pass by a 'watermelon' and not think of him. You, he, and I are probably the only ones who can appreciate that wonderful memory. You are in my thoughts and prayers!*
