“ Mrs. Mary, I was so sorry to open my paper this morning and see that Mr. Russell had passed away. I won't be able to make it to visitation tonight, but I will be there tomorrow. My mom lost her baby sister Monday, and the funeral is today in Alabama. Please know how much I will miss him, but not as much as you. You two were a perfect match. You know where he is, and you will see him again. I love you, and I loved him, too. Hang in there. You can do this.
