“ I just happened to come across this obituary. It saddened me because I was named after Mr. Bogan. He and my father, Ed Stewart, were friends many years ago. I think they both attended Mississippi State in 1946-1948. Living in Tupelo, I didn't realize we lived just up the road from one another. My sincerest condolences to the family.

“ I have so many fond memories that include my Uncle Neill. He was always a wise and loving man that I respected and looked up to. Memories that stand out for me were the Smokey Mountains family vacation we all took together in the 60's, the wonderful Christmas holidays we shared on Calhoun St. in West Point, the many get-togethers at his Long Beach home and the family reunion in Northern Alabama. Rest in peace, dear Uncle. I will miss you very much.
