“ Lots of memories of Lynn... in school, and in church. We went through classes and graduation together, as well as went to church together while my Dad was pastor there. She was a very friendly person, as was her entire family. I remember several teenage get-togethers at her Mom & Dad's house! They always made us feel so welcome and we always had fun. I don't think I've seen Lynn since graduation, our lives went in different directions, but I always asked Becky about her when I stopped by the Post Office in Pheba. I'm sure Lynn will be missed by all.. May God comfort your hearts, dear family!!

“ Becky So Sorry to hear about Lynn. I'm living in AR now and can't be there to hug you and offer any words of comfort. May God keep his loving arms around your family as you say Good Bye to your sister. I know with God's love you will get through the day but it's never easy. You will see her again one day when we all get to Heaven. Love you and your family Athena
