“ I can still taste the Catfish and hushpuppies she made me as a child when I visited Tom and Jan. I imagine she is fishing for Catfish now in the most beautiful pond that she has ever seen... love to all

“ I am so sorry I was unable to come up to see Geneva and be with you especially since I won't be there for the funeral. I loved Geneva so much. She was like a sister to me and was my first sister-in-law. May God comfort and Bless each of you during this sad occasion and in the days ahead. You have so many precious memories that will be such a comfort in the future. I love each one of you. Aunt Deane
