“ My thoughts and prayers are with this family and their friends. Mary was like a mom to me. She was always there if and when I needed her. She was an amazing woman who was very strong and never backed down from anything. She always made me feel as though I were a part of her family. She will be greatly missed here; she was loved by my entire family. She helped my mom out more than anyone would ever know. May all the goodness she did in this life show in those she touched and surrounded herself with. God blessed us when he brought her into this world. RIP Mom, I will always love you and will never forget you. Your oldest "daughter"
