“ To family, My sincere condolences . There is no greater pain than the death of a loved one. Sometimes it seems almost more than a person can bear. Jehovah God helps us with this in His word. He promises us that He will put a stop to all sickness and death will be no more (REV 21;3.4) Jehovah shows His love for us through the ransom sacrifice of His beloved son Jesus Christ. What a wonderful gift to be given ! Then the hope of seeing one's loved ones again on this earth transformed in a paradise as it was Jehovah's will when He created Adam & Eve

“ The Dreher family has always been there for my family before I was even born! I have fond memories of Phyllis from the church on the hill. They were the reason those doors remained open to this very day, or should i say very supportive with all their generations.

“ I deeply regret hearing of her passing. I have fond memories of her from my childhood staying at their house many times with Paula. She was always a kind, caring person. I will miss her.
