“ My heart has been saddened to learn of your loss. Words seem so small and meaningless when your loss is so great, but I do want you to know that Bob joins me in sympathy and prayer that you will feel God's love and comfort in the faces and words of encouragement of friends and family. With love, Priscilla

“ I was truly blessed to have such a smart fun loving lady in my life. She was always reaching out to people she had a big heart and a loving soul. She shared my love and passion of Halloween cooking and laughing. I will never forget her giggles or her voice. I'm looking forward to seeing you again some day. You were the light in the darkness for me as well as others. Your light will never go out you will never be forgotten. Yours truly,
