“ I kept some of the small school photos of my friends from our days together in West Point. Although our paths haven't crossed in years, the love always remains with all of us.

This morning I looked at the one I kept of Myra from our junior year.

On the back she wrote, "Hi! I am glad to have a great person like you for a friend! (You're lucky!) ha! Love ya! Myra

To her family I say that she was right. I was lucky, and so was anyone who ever knew her.

Peace to all of you as you move through the days to come.
