“ *What can I say except I will sorely miss Neal. I met Neal in 2001. My wife and I moved to Columbus from California. Earlier in my life I was an avid bowler and after almost a 30 year layoff from the sport I decided to get back into it. I put my name on the list of bowlers looking to join a team at Bulldog lanes. There were two other names on that list, one of them was Neal. We met at the bowling alley and immediately hit it off; put a team together and have been bowling in the Tuesday Night Men's league ever since. For many years, Neal was also my doubles partner in many State and even a couple of National Tournaments. But beyond that, he and Mary along with me and my wife Jackie, formed a great friendship with Neal and Mary. They made our transition to Mississippi and most wonderful and warm happening. We'd share a meal when both our schedules would permit and when either of us happen to be either in Columbus or West point, we'd stop at one another's house for a cup of coffee or glass of Iced tea. Neal was one of my closest friends since then and I could always count on him to help me with my multiple lawn mower issues. He was like a magician when I came to fixing mechanical devices. There was one time I just couldn't get my mower to crank; I called him up and told him; he said he was going to be over in Columbus later that day and would stop by to give it a look. Well, he lifted up the hood of the mower, poked around without really doing anything to hit; jumped on the seat and darn if that mower just started right up for him....I was just mortified that it started right up for him. He got the biggest kick out of my embarrassment because I call him for nothing....*

*I am going to miss you more than you know buddy...the good Lord must have been a dire need of a great mechanic in heaven to call him home.*

*Thanks for being our friend all these years.*

“ I have known Neal most of my life! He and Mary was a part of my life growing up and Charles and I spent a lot of time with him and Mary camping, fishing and tournament bowling! The last 3 years we have spent knocking about together just to hold each other above ground. He’s a very special man! He had a loving heart for people! Never liked to see anyone hurting! He will be deeply missed! I know God must have needed his car or lawn mower worked on! I know he fought the fight and held out as long as he could! Jonathan and Janie please don’t ever doubt the things in life y’all have accomplished because he told me many times how proud of you two he was! Pat and Jean as his sisters he loved you two til his last breath! Love y’all and thank y’all for allowing me to be a part of his life!
