PS

*David, Gina and family . I am so very sorry to hear about Nelda. It hurts to know mine and Danny's friends are really dwindling. Oh the fun your mom, dad, Danny and I had, going on vacation every summer together. The mountains, Florida, we even had to evacuate New Orleans because Camille was expected to hit, which it did. Your mom was terrified of the cable cars in Maggie Valley, so many great memories. We went with them when you kids were adopted. Your mom was a great woman, she will be missed.*
