“ Cindy and Keith and the rest of the family, I'm so very sorry for your loss. May the Lord comfort and strengthen you. Love you. I will always cherish my memories of growing up next door to Zell. One of my favorites is when we were shelling peas and Cindy and I started laughing. She made us keep on and on and on laughing, even after we wanted to stop. Another is when I was there for breakfast and she asked me if I wanted chocolate or regular milk. I said chocolate and she sat it beside my plate. I took a big swig and lo and behold it, it was fresh from the cow. I thought I was going to throw up. I never asked for milk again when there. I can't leave out remembering her laughter as I practiced walking in heels for 8th grade graduation. She was such a special woman and I will hold my memories dear forever.
