“ Pam was a strong woman, she was in pain everyday that she was at the Henry Clay but she made it through that day and the next. Her smile and giving heart made her many friends. She was always concerned about the other person. Loved to laugh and smile and share the wonderful food she cooked with the ladies she became close friends with. She missed Mitchel very much and I know she ran into his arms. Her Christian faith made her strong and she found her shelter in the Lords arms. She was quick to share that faith with others which won her great respect among all of the residents. I will miss her.

Love and prayers to all of the family.
