“ I met Rick in the early 90's and instantly formed a lasting friendship with him. I think that I have only seen him about 20 times since then and in a blink he would recognize me and we would start having a wonderful time again. He will be greatly missed and always remembered for his laughter, laughter, laughter! May God bless all of you that are mourning at this time and may God bless you forever with laughter and joyful memories of Rick.
